Dear Vicki and Jim,

I got up early this morning as I want to bed early. I have been playing bridge on Tuesdays and working in the yard and having dinner so I keep real busy.

This is Wednesday and I always go to Marys and then I leave when Diane has her nap, otherwise she cries when I leave.

For Easter dinner I am going to have a Crown pork roast with stuffing in the middle and of course hide colored eggs for the baby to find.

Ed and Mary and Mike have been playing dominos on Sunday nights. It seems to be a pretty good game.

Thursday I am going to Exumclaw and take my neighbor Ethel Weaver along. I am also going to drive up to the cabin and see how every thing is. The Cedars restaurant up on the highway above the cabin burned down last week.

Happy Easter

Love,

Mom.

The baby is going to start swimming lessons next month.
